*This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all. If we say that we have fellowship with him, and walk in darkness, we lie, and do not the truth: But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin.*

Our youth today primarily communicate via text messaging and cell phones. The theme is based on the mindset of being compatible and having the flexibility of deriving many sub-topics from a Christian point of view. We can cover a wide variety of topics utilizing this one theme. As a committee, we can teach key topics facing the Lord's Church today; "What Message R U Sending: IN YOUR DRESS, IN YOUR CONVERSATION, IN YOUR SILENCE, AMONG YOUR PEERS, WITH YOUR ATTITUDE and IN YOUR GIVING. These are just a few examples of how we can really address this theme and many other sub-topics.

If this is the primary way our youth communicate, then this theme and the scripture selected gives us a fantastic way of incorporating what the Lord wants them to communicate to others.
